RIZWAN FOODS

WHO WE ARE

Established in 2010 under the visionary leadership of Chairman Muhammad Ibrahim Asakani, Rizwan Foods began as a passion project to revive the bold, nostalgic flavors of South Asian cuisine—starting with what we do best: pickles. Our unique, preservative-free recipes quickly gained popularity, and we earned a name as a trusted household brand. What began with one product line has grown into a diverse portfolio that continues to celebrate taste, quality, and heritage.

Today, Rizwan Foods proudly offers over 100 products, spanning recipe mixes, plain spices, pastes, pickles, salts, and more—each crafted with 100% premium-grade ingredients and manufactured under strict hygiene and safety protocols. We are proud to supply both domestic and international markets, with a growing export footprint, especially in Pakistan and Iran, where our products are known for their consistent quality and authentic taste.

Driven by our commitment to excellence, we ensure every product from Rizwan Foods is export-quality, delivering superior flavor, shelf life, and consumer satisfaction. As we continue to innovate and expand globally, our mission remains rooted in tradition—offering food that's not only rich in flavor but also crafted with honesty, care, and a deep respect for our culinary roots.

RIZWAN FOODS

OUR STRENGTHS

At Rizwan Foods, our strength lies in our unwavering commitment to premium quality and authentic taste. Every product we offer is developed with care, using 100% export-grade ingredients and processed under strict hygiene and safety protocols.
